Notice To Proceed September 15, 2012	Probable Contract Amount \$ 41,620,000
Contract Fixed Completion Date December 1, 2014	
Revised Contract Fixed Comp. Date..... na	

Completed Work

The Contractor's design has been released for construction (RFC) and all permits are now in place. Mobilization is complete, the office complex is in place with internet and phone service. Tree falling has been completed. Clearing and grubbing is complete up to sta 930+00 (MP 85).

On-going Work

Excavation and embankment activities will take place from the BOP, station 785+00 (MP 82) to station 1080+00 (MP 88). Rock drilling and blasting will be on going, signs have been placed at each end of the work zone showing blasting times. Right of way rock is being used for embankment, waste is being hauled to WA 18, WA 19 and WA 21.

Fish Pipe work and Bridge access for Chum Creek will also be occurring. A night shift has been added, so now we are working around the clock (Day shift 6:30am to 5:00pm; Night shift 6:00pm to 4:30 am). Traffic control consists of flaggers and pilot car. Delays up to 45 minutes are to be expected.

Road Closures
